

# *empowered girl* ALLIANCE

## **Empowered Girl Training Weekend**

Presented by Women Worldwide West Coast, Inc.

January 8-10, 2010 – Pilgrim Pines, Yucaipa, CA (northeast of San Diego)

*The Empowered Girl Alliance offers an exciting and engaging weekend experience for adolescent girls ages 13–17.*

**G**irls will embark on an interactive journey of self-discovery that builds the awareness, skills, and confidence they need to live happy, fulfilling, and empowered lives.

**P**articipants will explore all aspects of themselves — body, mind, heart, and spirit — in a variety of ways including storytelling, sharing, movement, and arts and crafts.

**T**his transformational journey begins with the weekend and continues over the course of a year through monthly girls' circle gatherings and deepening relationships with EGA Mentors and other Empowered Girls.

**P**rogram Fee: \$500. (Includes weekend experience and ongoing support and participation through the EGA Mentorship Exchange and EG Circle integration programs.) **Financial Aid Available.**

**Vision:** *We envision living in a conscious culture where every girl is **self-identified** and **empowered** by the knowledge of who she is and all she has to offer.*

**Mission:** *It is also the mission of the EGA to cultivate sustainable mentorship networks to affirm these girls by accepting and admiring them for who they are, by encouraging them to be all they can be, and by providing a safe place for them to share the details of their life journey. It is our mission to develop engaging programs that inspire adolescent girls to identify themselves as beautiful, powerful, and valuable young women.*
